Webcast link: <https://ir.gracellbio.com/news-events/events-and-presentations>

The replay of the presentation can be accessed through the "[News and Events](#)" section of Gracell's investor website.

UBS Asia Healthcare Virtual Conference

One-on-one meetings: April 27 - 29

About Gracell

Gracell Biotechnologies Inc. ("Gracell") is a global clinical-stage biopharmaceutical company dedicated to discovering and developing breakthrough cell therapies. Leveraging its pioneering FasTCAR, TruUCAR and SMART CART™ technology platforms, Gracell is developing a rich clinical-stage pipeline of multiple autologous and allogeneic product candidates with the potential to overcome major industry challenges that persist with conventional CAR-T therapies, including lengthy manufacturing time, suboptimal cell quality, high therapy cost and lack of effective CAR-T therapies for solid tumors.
